Attend III's First Conference in Asia

Experience the Beauty and Culture of Japan with III

The International Insolvency Institute will present its Sixteenth Annual Conference in Tokyo, Japan on June 6 and 7, 2016. The III Tokyo Conference will feature an exciting program addressing the most important international insolvency issues and controversies presented by speakers who are globally recognized as preeminent in their field.

Our Sixteenth Annual Conference will be held in the heart of Tokyo, Japan's capital and the world's most populous metropolis.

Today, Tokyo offers a seemingly unlimited choice of [shopping](#), entertainment, culture and dining to its visitors. The city's history can be appreciated in many excellent [museums](#), historic temples and [gardens](#). Contrary to common perception, Tokyo also offers a number of attractive [green spaces](#) in the city center and within relatively short train rides at its outskirts.

The Planning Committee has arranged some optional visits for Delegates and their guests to experience the best of Tokyo itself and the surrounding area including day trips to Kyoto and Mount Fuji.

The **16th Annual Legendary Conference Dinner** will be held in Happo-en, a Japanese Garden renowned for being a "spot which is beautiful viewed from any angle." It is a magnificent garden that has maintained the natural beauty of Edo Japan down through the centuries and bequeathed it to present-day Tokyo. Nature changes with the season interspersed with historical buildings and relics of the past in this enchanting garden, which includes a hillside with a stream running through it covering a vast 50,000 square meter area in Tokyo's fashionable Shirokanedai District.

The **Conference Hotels** include the 5-star Prince Sakura Tower, the 4-star Grand Prince New Takanawa and the 3-star Shinagawa Prince Hotel Annex Tower. The hotels are conveniently located with a 5-minute walk from the Shinagawa Train Station as well as a 3 minute walk to the Takanawadai subway station for easy access to all parts of Tokyo. Please visit the “Travel Information” page for information on each hotel or [click here](#) to make reservations at any of the hotels.

Conference registration is now available by visiting the III website at www.iiiglobal.org or through [this link](#). In addition, a complete listing of all optional tours can be found through the online registration, so be sure and share with guests who are traveling with you.

NextGen Leadership Program Class I-V in conjunction with NextGen Executive Director, Franca Tibando, have planned an incredible education session on Sunday, June 5, 2016 as well as some unique NextGen social events that are a must-do for all NextGen Classes I-V. If you are a NextGen member, please watch your email for a separate link to register you and your guests for not only NextGen events, but the III conference and other optional events. The NextGen Program brochure will also be forthcoming. Contact Franca at ftibando@millerthomson.com, 416-595-2965, with any questions.

Additional Contributors to Conference Materials: The Program Committee is soliciting additional contributions to the conference materials from members who register for the Tokyo Conference. This is a new initiative that is intended to enhance the depth and quality of the conference materials and to provide expanded opportunities for III member to participate in and contribute to the conference. Additional Contributors will be listed in the Official Program (although depending on the number of submissions it may be necessary to limit the number of contributions that may be accepted). Each submission should relate to the topic(s) covered by one of the conference panels, should identify that panel, and should be submitted to Shari Bedker at sbedker@iiiglobal.org by Monday, May 9, 2016 in PDF format. There is no requirement as to the length or nature of the written contributions so long as they are substantive. For example, an Additional Contributor may submit questions or issues for the relevant panel to address or substantive comments on the topic(s) to be addressed by the panel.

Still have questions?

Please contact the Executive Director of the III, Shari Bedker at sbedker@iiiglobal.org (434) 939-6003 or visit the III website. We hope to see you in Tokyo!
