Note about these Regulations

These Regulations are made under the Corporations Act 2001. To assist users of these Regulations, these Regulations follow, as far as possible, the drafting style, structure and numbering of the Corporations Regulations 1990 that were made under the Corporations Act 1989. Because some provisions of the Corporations Regulations 1990 are not remade in these Regulations, some gaps appear in the numbering of these Regulations. Also, the drafting style departs in minor ways from that used in the Corporations Regulations 1990.

**AGREEMENT TO WAIVE THE OPERATION OF PARAGRAPH 1206(1)(b) OF THE CORPORATIONS ACT 2001 IN RELATION TO THE ISSUE OF CONTRACT NOTES**

1. *I/*We (insert the full name of the futures broker's client) have authorised (insert the full name of the futures broker), a futures broker licensed under the Corporations Act 2001, to operate on *my/*our behalf a discretionary account.

2. *I/*We agree to waive the operation of paragraph 1206(1)(b) of the Corporations Act 2001 and do not require the broker to give *me/*us a contract note in respect of any acquisition or disposal of a futures contract effected by the broker on that discretionary account.

RISK DISCLOSURE STATEMENT

To (insert full name(s) of prospective client(s)), prospective clients:

This statement is given to you as required by section 1210 of the Act.

The risk of loss in trading in futures contracts can be substantial. You should therefore carefully consider whether that kind of trading is appropriate for you in the light of your financial circumstances. In deciding whether or not you will become involved in that kind of trading, you should be aware of the following matters:

(a) You could sustain a total loss of the initial margin funds that you deposit with your futures broker to establish or maintain a position in a futures market.

(b) If the futures market moves against your position, you may be required, at short notice, to deposit with your futures broker additional margin funds in order to maintain your position. Those additional funds may be substantial. If you fail to provide those additional funds within the required time, your position may be liquidated at a loss and in that event you will be liable for any shortfall in your account resulting from that failure.

(c) Under certain conditions, it could become difficult or impossible for you to liquidate a position (this can, for example, happen when there is a significant change in prices over a short period).

(d) The placing of contingent orders (such as a “stop-loss” order) may not always limit your losses to the amounts that you may want. Market conditions may make it impossible to execute such orders.

(e) A “spread” position is not necessarily less risky than a simple “long” or “short” position.

(f) The high degree of leverage that is obtainable in futures trading because of small margin requirements can work against you as well as for you. The use of leverage can lead to large losses as well as large gains.

(g) If you propose to trade in futures options, the maximum loss in buying an option is the amount of the premium, but the risks in selling an option are the same as in other futures trading.

This statement does not disclose all of the risks and other significant aspects involved in trading on a futures market. You should therefore study futures trading carefully before becoming involved in it.
Specify here:

(a) Full name(s) of the prospective client(s) *(please print)*:

(b) Date on which the statement is given to the prospective client:

Schedule 5A  Financial reporting — Australian banks and life offices
(regulation 2M.6.03)

1 Definitions for Schedule

In this Schedule:

AGM means annual general meeting.

Chapter 2M means Chapter 2M of the Act.

Chief entity has the meaning given in section 295 of the Act as in force immediately before the commencement of item 29 of Schedule 3 to the Company Law Review Act 1998.

Life insurance law means a law of the Commonwealth, except the Act, relating to life insurance.

Prescribed corporation means:

(a) an Australian bank; or
(b) a life office.

2 Compliance with Chapter 2M — financial reports of Australian banks

If an Australian bank has prepared a financial report in accordance with the Act of the Commonwealth, except the Act, relating to banking, the corporation is taken to have complied with the corresponding provisions of Chapter 2M.

3 Compliance with Chapter 2M — financial reports of life offices

(1) If a life office has prepared a financial report in accordance with the life insurance law (or with an order made under section 340 or 341 of the Act applying to the report) and the report was:

(a) laid before the relevant AGM of the corporation; and
(b) lodged within 3 months of the end of the period to which it relates;
the life office, and its directors and auditors, are not taken to have contravened Chapter 2M only because of the circumstances mentioned in subclause (2).

(2) The circumstances are:
(a) a financial report was not prepared in accordance with Chapter 2M, laid before the relevant AGM of the corporation or lodged; and
(b) an audit report required by that Chapter was not laid before that AGM or lodged.

(3) If the life office does not lay before its AGM financial reports and auditors’ reports complying with the life insurance law, the life office must lodge a copy of each of the reports within 4 months of the end of the period to which it relates.

4 Auditors’ reports on financial reports of life offices
If the financial report of a life office complies with the life insurance law, sections 307, 308 and 309 of the Act do not apply in relation to the report.

5 Compliance with certain provisions of Chapter 2M — prescribed corporations
(1) This clause applies to a prescribed corporation that has, in accordance with Chapter 2M as modified in its operation by this Schedule, given to its members the documents that it is required to lay before its relevant AGM.

(2) The corporation is not taken to have contravened Division 4 of Part 2M.3 of the Act only because it did not give to its members the financial reports or other documents mentioned in the Division.

(3) However, subclause (1) does not apply in relation to a financial report or other document that must be laid before the AGM under section 317 of the Act.
6 Directors’ reports — prescribed corporations that are not chief entities

If a prescribed corporation is not a chief entity in a financial year, subsection 292 (1) of the Act does not require a directors’ report for the corporation to be prepared for the year.

7 Compliance with Chapter 2M — financial reports of certain chief entities

(1) This clause applies to a corporation that, during an accounting period of the corporation:
   (a) was a chief entity; and
   (b) controlled another corporation (a controlled entity) that was a prescribed corporation at any time in that period.

(2) The chief entity does not contravene Chapter 2M only because a financial report of the entity does not consolidate a controlled entity that was at any time during the accounting period to which that report relates a prescribed corporation if the report complies with subclause (3).

(3) A financial report of the chief entity for the accounting period complies with this subclause if the report of the controlled entity for the corresponding accounting period of the controlled entity is attached to the financial report of the chief entity.

The administrator must apply the property of the company coming under his or her control under this deed in the order of priority specified in section 556 of the Act.

5 Discharge of debts

The creditors must accept their entitlements under this deed in full satisfaction and complete discharge of all debts or claims which they have or claim to have against the company as at the day when the administration began and each of them will, if called upon to do so, execute and deliver to the company such forms of release of any such claim as the administrator requires.

6 Claims extinguished

If the administrator has paid to the creditors their full entitlements under this deed, all debts or claims, present or future, actual or contingent, due or which may become due by
the company as a result of anything done or omitted by or on behalf of the company before the day when the administration began and each claim against the company as a result of anything done or omitted by or on behalf of the company before the day when the administration began is extinguished.

7 **Bar to creditors’ claims**

Subject to section 444D of the Act this deed may be pleaded by the company against any creditor in bar of any debt or claim that is admissible under this deed and a creditor (whether the creditor’s debt or claim is or is not admitted or established under this deed) must not, before the termination of this deed:

(a) take or concur in the taking of any step to wind up the company; or

(b) except for the purpose and to the extent provided in this deed, institute or prosecute any legal proceedings in relation to any debt incurred or alleged to have been incurred by the company before the day when the administration began; or

(c) take any further step (including any step by way of legal or equitable execution) in any proceedings pending against or in relation to the company at the day when the administration began; or

(d) exercise any right of set-off or cross-action to which the creditor would not have been entitled had the company been wound up at the day when the administration began; or

(e) commence or take any further step in any arbitration against the company or to which the company is a party.

8 **Making claims**

Subdivisions A, B, C and E of Division 6 of Part 5.6 of the Act apply to claims made under this deed as if the references to the liquidator were references to the administrator of this deed.
9 Meetings

Regulations 5.6.12 to 5.6.36A of the Corporations Regulations apply, with such modifications as are necessary, to meetings of creditors or of the committee of inspection held under this deed as if the references to ‘the liquidator’, ‘the liquidator or provisional liquidator’, ‘the liquidator, provisional liquidator or chairperson’ or ‘a liquidator, provisional liquidator or trustee for debenture holders’, as the case may be, were references to the administrator of this deed.

10 Lodging of accounts

Sections 432 and 434 of the Act apply to the administrator as if the reference to a controller were a reference to the administrator of this deed.

11 Committee of inspection

For the purpose of advising and assisting the administrator of this deed, there must be a committee of inspection (the committee) to which the following rules apply:

(a) the committee must consist of at least 3 and not more than 5 members;

(b) the creditors must appoint the members in a general meeting;

(c) a creditor is not entitled to have more than one representative (including the creditor himself or herself, if a natural person) on the committee;

(d) minutes of all resolutions and proceedings of each meeting of the committee must be made and duly entered in books to be provided from time to time for that purpose by the administrator under this deed;

(e) if the minutes of a meeting purport to be signed by the chairperson of the meeting at which the resolutions were passed or proceedings taken or by the chairperson of the next meeting of the committee, the minutes are prima facie evidence of the matters contained in them;
(f) unless the contrary is proved, the meeting is taken to have been duly had and convened and all resolutions passed and proceedings taken at the meeting are taken to have been duly passed and taken;

(g) a corporation (being otherwise qualified for membership of the committee) is not entitled to be a member of the committee but may appoint a person to represent it on the committee;

(h) subsection 548 (3) and sections 549, 550 and 551 of the Act apply, with such modifications as are necessary, to a committee of inspection established under this deed as if the references to the liquidator were references to the administrator of this deed and the references to contributories were deleted.

12 Termination of deed where arrangement achieves purpose

If the administrator has applied all of the proceeds of the realisation of the assets available for the payment of creditors or has paid to the creditors the sum of 100 cents in the dollar or any lesser sum determined by the creditors at a general meeting, the administrator must certify to that effect in writing and must within 28 days lodge with ASIC a notice of termination of this deed in the following form:

‘X PTY LIMITED

I, (insert name and address) as administrator of the deed of company arrangement executed on (insert date), CERTIFY that the deed has been wholly effectuated.’,

and the execution of the notice terminates this deed, but nothing in this clause relieves the administrator of his or her obligations under clause 10 of this deed.
